

Emergency Nursing Pediatric Course (ENPC)

Date you are requesting to attend: _____

Sponsored by Hi Plains Chapter of Emergency Nurses Association

COURSE DESCRIPTION: A course that teaches all aspects of pediatric emergency care. Developed by the National Emergency Nurses Association (ENA), ENPC is aimed at improving the care of pediatric patients by increasing the knowledge and skills of those involved in the care of ill or injured children.

PARTICIPANTS: Healthcare professionals interested in providing care for the pediatric patient. To maximize success, it is recommended that Registered Nurses have at least six months clinical nursing experience. Participants who are auditing the class will receive CE hours, but will not be verified.

ACCREDITATION: The ENPC Provider Course has been approved for 15.58 CE hrs by ENA.

REGISTRATION: ** Please contact Jessica West for questions regarding registration - (806) 441-1753 or jwestcsn@yahoo.com

Registration forms and course fees must be received to obtain registration in the course.
